

18V MultiVolt™ 1-1/32" SDS Plus Rotary Hammer (Tool Body Only)

DH1826DAQ4

metabo **HPT**
DURABILITY FIRST

- **SAFETY:** Reactive Force Control (RFC) stops the tool from rotation if it senses a bit snag or tool overload
- **AUTO STOP:** Automatically stop the tool motor at a desired time interval for repetitive drilling
- **CLEAN WORK ENVIRONMENT:** Compatible with 37915M dust extractor attachment
- **DURABILITY:** Vibration absorbers and metal plates on the battery rails, and brushless motor extend tool life

Volts	18
Bit Shank	SDS Plus
Speed Settings	2
No-Load Speed	0-950 RPM
Operation Modes (3)	Hammer Drilling / Chipping / Drilling
Impact Rate	0-4,300 BPM
Impact Energy	2.3 ft-lbs
Capacity	
Wood	1-1/16"
Steel	1/2"
Concrete	1-1/32"
LED Light	Equipped
Weight (w/o battery)	6.8 lbs

BRUSHLESS

Accessories Included
Side Handle
Depth Gauge
