

36V MultiVolt™ Brushless 6" Variable Speed Paddle Switch Angle Grinder *(Bare Tool)*

G3615DVFQ6

- **6 SPEED SETTINGS + AUTO:** To easily adjust the speed best suited for the application
- **DUST SCREEN:** Prevents dust particles from entering the motor housing
- **ZERO VOLTAGE RESTART:** to prevent accidental activation
- **OVERLOAD PROTECTION:** Safety feature where torque remains active even if rotation speed stops with overload

36V

BRUSHLESS

metabo HPT
DURABILITY FIRST
