

6-Gallon 165PSI Pancake Compressor

EC711S

metabo **HPT**
DURABILITY FIRST

- **165 Max PSI** of working pressure for longer run times changes
- **2.8 CFM at 90 PSI and 3.7 CFM at 40 PSI** to operate multiple nailers depending on the application
- **(2) 1/4" Universal Quick Couplers** for fast and easy tool changes
- **1.0 HP** oil-free high efficiency motor for reliable startups even in cold weather

Tank Capacity	6 Gallons
Power Source	120 V AC 60 Hz
Capacity	12 A
Amperage.....	11 @150 PSI
.....	12 @116 PSI
CFM.....	2.8 @90PSI
.....	3.7 @40PSI
Max Pressure.....	165 PSI
Running Horsepower	1.0 HP
Regulated Pressure Gauge.....	Installed
Motor Type.....	Oil Free
Weight.....	38.5 lbs
